

2020 Funeral Stationery

Beautiful Service
Cards and Keepsakes
to celebrate a loved
one's life

ORDER OF SERVICE FORMAT OPTIONS

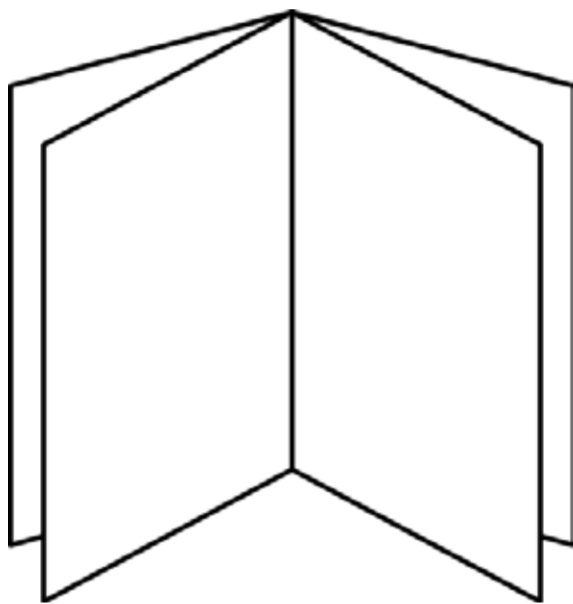

Any Length of Service Covered

Our A5 order of service sheets are printed on high quality card stock and are available in either plain white or cream. The covers are printed on 350 gsm card and the inner sheets are printed on 100 gsm paper. You may choose from the three formats below to give you as much room as you like for content of the service, which will be provided to us via your funeral service provider.

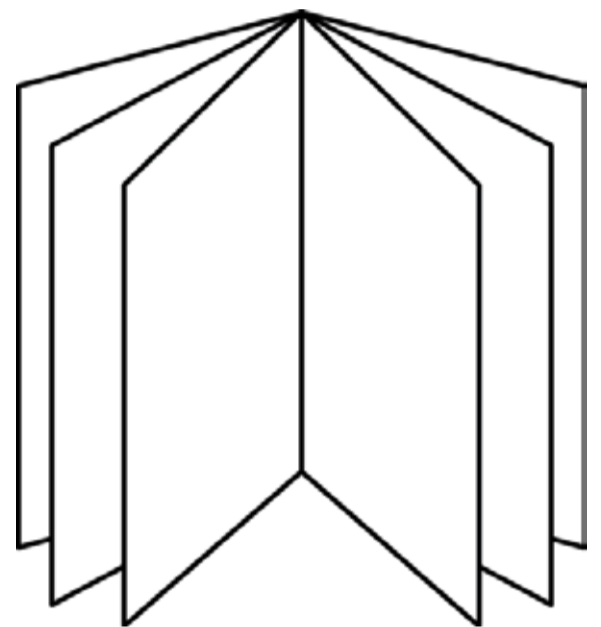

4 page format

Front and back cover plus two sides for hymns, prayers and messages.

8 page format

Front and back cover plus six sides for hymns, prayers, photos and messages.

12 page format

Front and back cover plus ten sides for hymns, prayers, photos and messages.

Bespoke and Customisable Design

Choose a cover design that you like from the following pages as a starting option. These are available in colour or black and white on all pages.

If you would like any images added including illustrations or photographs these can be supplied to us either digitally or as a physical copy scanned in.

A proof of the designed service sheet will be sent via your funeral service provider for you to look at and supply any changes if required.

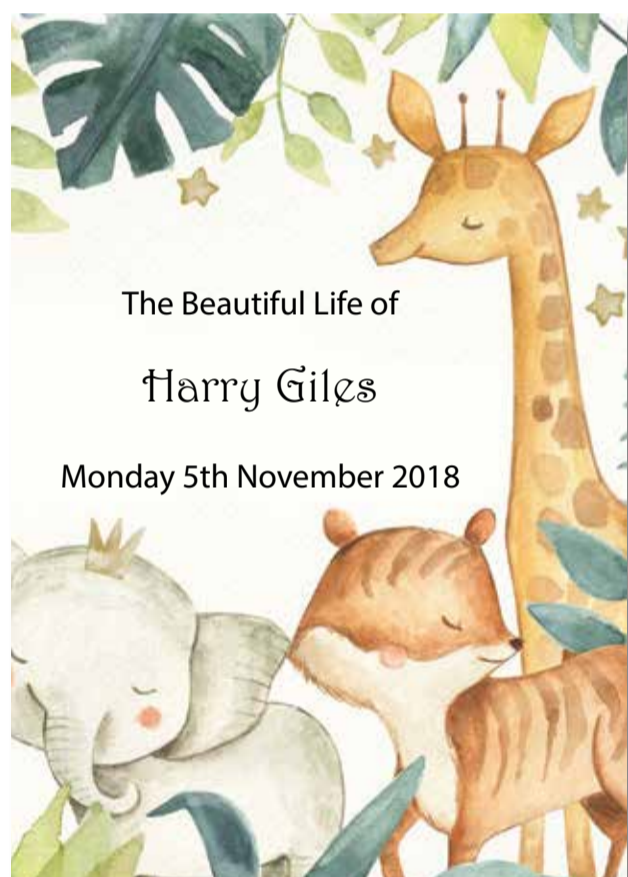

COVER TEMPLATES

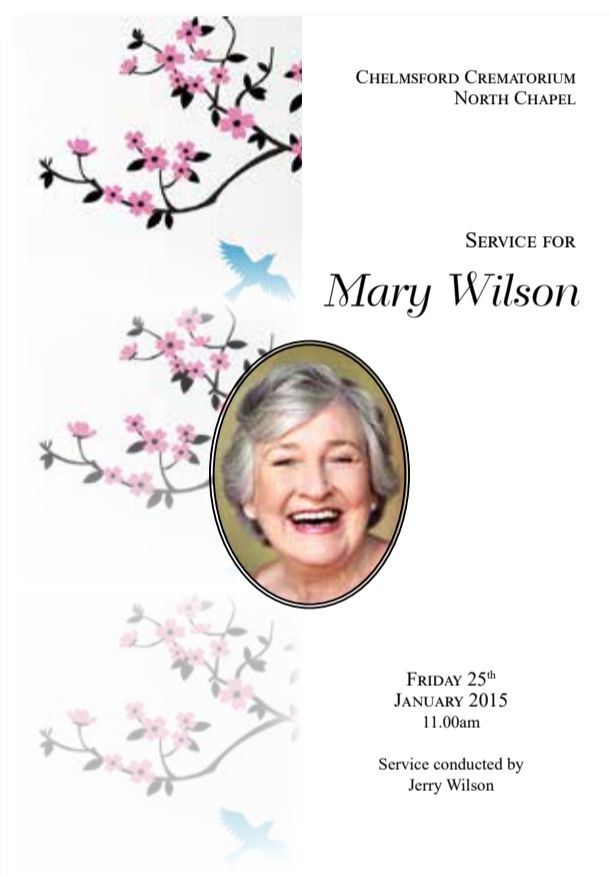

Personalised and Tailored

Any of the templates listed here can be fully customised to include images and text about your loved one. Backgrounds and fonts can be changed to best represent the things your loved one cared about in life.

Simply quote the reference number to your provider and we will use it as a starting point to produce your bespoke Order of Service for your loved one.

Thin canvas depth: 18mm, Thick canvas depth: 38mm

PHOTO RESTORATION

The photo on the left is the original, the photo on the right captures just how much we have managed to restore it.

Many of us have some photos long since faded over time, of loved ones and times gone by. Let us help restore them so you can yet again, capture that moment.

Available in *canvas, foamex, framed or on high quality colour copy stock.

*Depending on the quality of the image.
