THE HUNNABALL FAMILY FUNERAL GROUP

Established in 1983 by Trevor and Melanie Hunnaball, our business operates with a simple ethos – to provide funeral services with dignity, humanity and the greatest of care.

We conduct our business with gentle, yet capable hands while maintaining a delicate balance of formality and empathy. Always.

The funeral business is one built on trust and reputation. We are a close-knit, community minded family group and have sourced these products from a trusted local family-owned trade supplier. We share their dedication in fighting climate change and planting one tree for every item purchased, whilst taking care of you we are also making a positive contribution to our planet.

We appreciate that it can be difficult to decide on the final resting place for cremated remains, and that this is something that you may wish to discuss with family and friends. There are, today, a greater number of options, so we are pleased to offer some of these for your consideration.

TIERRA ECO URNS

The Rio, Pura, Bola and Arena Urns are made of air-dried clay. Simply seal with water or glue to keep the ashes safe inside. They can be stored inside the home without degrading for years to come. Once buried, they take around four weeks to degrade, or 20 minutes to dissolve in water.

The Hielo and Fuego Urns are made of clay and then fired and glazed so will take approximately 10 years to biodegrade once buried. Glue provided to seal the lid.

Urns have water-soluble/biodegradable bags inside.

The Samsara urn is also suitable for ground burial, fresh water and ocean dispersal, dissolving quickly.

The Nu urns are made of pure salt and are designed for returning ashes to the ocean.

SCULPTURAL BRONZE URNS

Cast in bronze, these stunning sculptural urns can be placed inside the home or outside in the garden. They are sealed with a threaded closure and are water tight. When left in nature, bronze will develop verdigris as it oxidizes over time. This can be delayed by applying a coat of natural beeswax occasionally, if desired.
